PROFESSIONAL EXPERIENCE

PT MULTI FLASHINDO KARISMA (MFK) | Jakarta | Jul 2024 - Present

Videographer & Video Editor - *expanded scope across content, website, SEO, AI, and campaigns*

- Serve as the sole PIC for website content, structure, SEO implementation, and WordPress updates across product, brand, category, and campaign pages.
- Led the transition from default catalogue-style pages into a structured commercial ecosystem with category hubs, brand authority pages, internal linking, and WhatsApp conversion paths.
- Produce 10-15 content assets per month and have delivered 100+ commercial videos across Instagram, TikTok, Facebook, YouTube, and LinkedIn.
- Manage publishing and campaign execution through Meta Business Suite, including promotional campaigns and event support.
- Develop AI-assisted workflows for research, ideation, scripting, subtitles, visual planning, and production standardization.
- Create SOPs and repeatable workflows used to improve content, website, and cross-functional execution with Marketing, Sales, and Management.

BUSINESS CONTRIBUTION

- Contributed to increasing inbound inquiries through SEO-oriented content and conversion-focused page structures.
- Supported sales follow-up through campaign landing pages, product information, and contextual WhatsApp conversion paths.

SELECTED PROJECTS

PROJECT LEAD / SOLE WEBSITE PIC MFK Website Digital Transformation Standardized product, brand, category, and campaign pages while implementing taxonomy, on-page SEO, internal linking, CTA paths, content governance, and AI-supported production standards. OUTCOME Contributed to stronger website structure, organic visibility, and inbound inquiries.	PROJECT LEAD Integrated Clearance Sale Campaigns Built campaigns from zero through landing pages, QR-based product information, promotional content, product demonstrations, event activities, and collaboration with high-reach accounts. OUTCOME Improved event visibility, attendance, inquiries, and online-to-offline customer experience.
PIC Influencer & Community Collaboration Handled research, outreach, planning, script alignment, production coordination, and publishing from start to finish. OUTCOME Expanded brand reach, strengthened event presence, and supported new engagement opportunities.	WORKFLOW DESIGNER AI-Assisted Content Workflow Built repeatable workflows using ChatGPT, NotebookLM, Google Flow, and ElevenLabs for research, scripting, voice support, subtitles, visual planning, and production standardization. OUTCOME Improved consistency and reduced repetitive manual work across content and website production.

EARLIER EXPERIENCE

JAN - JUL 2024	LAVERGNE Videographer & Video Editor Produced premium visual assets aligned with luxury retail presentation standards and adapted deliverables for social media while maintaining brand consistency.
2022 - 2023	HURRICANE XCS INDONESIA Videographer & Video Editor Produced promotional and product-focused content through shooting, editing, and campaign adaptation for digital channels.
JAN - JUL 2020	TITAN BAKING Photographer & Videographer Produced high-volume product photography, supported weekly live streaming, and prepared visual assets for the company website.
2014 - 2017	IMPRAFOTOGRAFI Photographer Built foundational experience in photography, visual composition, client-facing execution, and production discipline.

PROFESSIONAL STRENGTHS

- End-to-end project ownership
- Creative and technical execution
- Cross-functional collaboration
- SOP and workflow development
- Deadline-driven production
- Business and lead awareness
